Dear Members of the St. Andrew's Society of Central Florida,

As you know, the primary goal of the St. Andrew's Society of Central Florida is to seek to celebrate Scottish heritage here in our community. One of the ways our Society does this is through the financial scholarships offered annually to our young people who interested in pursuing and improving their particular skills in the Scottish Arts of dance, bag-piping, fiddling, kilt-making, etc. Traditionally, our scholarships have been in the amounts of \$100 to \$300, depending on the number of applicants and scholarships granted.

The purpose of these scholarships is to improve abilities in the student's chosen Scottish Art by attending schools and/or camps offered in various areas around the United States. It is hoped that these scholarships will help to offset their expenses while attending such programs.

Please be reminded that the St. Andrew's Board of Directors has voted that all applicants awarded St. Andrew's scholarships **must be members of the St. Andrew's Society of Central Florida.**

If you know anyone who might be interested in being considered for one of these scholarships, please have them complete the following scholarship application form and return it to: The St. Andrew's Society at the address above, or apply online at their earliest opportunity.

Sincerely,

Scott Stuart

Scott Stuart, President

St. Andrew's Society of Central Florida
